CRIMINAL JUSTICE INFORMATION SYSTEM

During the 71st Regular Session in 1989, the Texas Legislature made sweeping changes in the Criminal Justice System. House Bill 2335 and Senate Bill 41 created Chapter 60 of the Code of Criminal Procedures (CCP). Chapter 60 outlines and defines the Criminal Justice Information System (CJIS). The Texas Department of Public Safety (DPS) and the Texas Department of Criminal Justice (TDCJ) were called upon to create a comprehensive system that includes relevant data for criminal justice agencies responsible for the arrest, prosecution, adjudication and correction of criminal offenders. In addition, this information provides usable data to support the analyses of criminal justice policy makers and planners.

The 85th Legislature updated and revised the Criminal Justice Information Systems reporting, moving it to CCP Chapter 66 with House Bill 2931. These changes took effect on 01/01/2019.

This data is maintained in a statewide Computerized Criminal History (CCH) system regulated by the Crime Records Division of DPS.

RELEASED WITHOUT PROSECUTION

When a CR-43 is sent to the DPS on an offender and the arresting agency decides they will not pursue the case, the arresting agency must update the arrest disposition in CCH. This updated arrest disposition will reflect the offender was released without prosecution. 1. Using a copy of the original CR-43 or a print out of the record from the CJIS Site, change the arrest disposition to 207 and write "Correction" in the Local Agency Use field at the bottom of the form. Additionally, the name of the person making the correction, the date and a phone number should be legibly printed in the For Local Agency Use field. Send or fax this corrected form to DPS. Please use blue or black ink for all corrections.
2. Send or fax a memo on agency letterhead requesting the DPS change the arrest disposition code to 207. When making this request, include the following information to ensure correction of the appropriate charge:

   TRN

   TRS

   Name

   Date of Birth

   Date of Arrest

   Offense Data

   Incorrect ADN

   Corrected ADN

3. If you have access to the CJIS Site (https://cch.dps.texas.gov), you can make modifications to the following fields online if no Prosecutor or Court information is present: DMV, ADD, AGN, OCA, GOC, AON, AOL, LDA, DOO, ADN, ADA and REF.

At the bottom of the form write "Correction" in the For Local Agency Use field. Additionally, the name of the person making the correction, the date and a phone number should be legibly printed in the For Local Agency Use field. Send or fax this corrected form to the DPS. Please use blue or black ink for all corrections.

DUPLICATE TO	Name of Person Correcting
TRN 234 567 890X	Date of Correction, Phone Number of Person Correcting

DUPLICATE TRN (OFFENSE)

A duplicate TRN is the reporting of the same offense and arrest date multiple times. Only one TRN can be used and all duplicate TRN's must be closed. To complete this process, you may perform one of the following:

1. Using a copy of the original CR-43 or a print out of the record from the CJIS Site, change the arrest disposition to 207 and write "Duplicate To" and the duplicate TRN in the For Local Agency Use field at the bottom of the form. Additionally, the name of the person making the correction, the date and a phone number should be legibly printed in the For Local Agency Use field. Send or fax this corrected form to the DPS. Please use blue or black ink for all corrections.
2. Send or fax a memo on agency letterhead stating that the offense is a duplicate and requesting that the DPS change the arrest disposition code to 207. When making this request, include the following information to ensure correction of the appropriate charge:

   TRN

   TRS

   Name

   Date of Birth

   Date of Arrest

   Offense Data

   The TRN you are continuing to use

   The TRN you are closing with the 207

3. If you have access to the CJIS Site (https://cch.dps.texas.gov), you can make modifications online if no Prosecutor or Court information is present:

   Change the ADN to 207 and write "Duplicate to TRN _____" in the ADD, Disposition Literal, field.

   Please be aware that this will close out the Duplicate charge but will not remove it from the person's criminal history. If you wish to remove the Duplicate charge, your agency will need to pursue a full expunction of the record.

CORRECTIONS

Prosecutors that report electronically have the option to report modifications or corrections online or through their electronic reporting. This is only possible if no court information has been reported to CCH for that TRN/TRS. If court information is present in CCH, then one of the options listed below will need to be followed.

When information is submitted to DPS in error, submit a photocopy or facsimile of the original CR-43/CR-44 or a print out of the record from the CJIS Site. Mark through the erroneous information with a single line and write the correct information next to it. At the bottom of the form, in the For Local Agency Use field, write “Correction” so DPS will be able to identify the purpose of the form. Additionally, the name of the person making the correction, the date and a phone number should be legibly printed in the For Local Agency Use field. Please use blue or black ink for all corrections. Be sure to notify the Courts of the correction you have submitted to DPS.

If the prosecutor does not have a copy of the CR-43 or CR-44 form, they may submit the correction on agency letterhead being sure to include the following information:

DUPLICATE TRN

Prosecutors that report electronically have the option to report modifications or corrections online or through their electronic reporting. This is only possible if no court information has been reported to CCH for that TRN/TRS. In the case of Duplicate TRNs, type "Duplicate to TRN (TRN continuing to be used for the case)" in the Prosecutor Offense Literal (POL) field. If court information is present in CCH, then the option listed below will need to be followed.

If the prosecutor has received two TRN's for the same charge, then the prosecutor will complete the CR-43/CR-44 that they wish to close out with the following information:

Prosecutor ORI

Prosecutor Action Code – Use the PAF **D** – Dropped by Arresting Agency

Prosecutor Action Date

Prepared By

Date

In the For Local Agency Use field write "Duplicate to TRN (TRN they are continuing to use for the case)." The prosecutor should then submit this yellow form to DPS where the TRN will be closed and a note made in the criminal history. The prosecutor should also notify the arresting agency of the TRN they are continuing to use for the case.
