Purpose

The purpose of this presentation is to provide information regarding the submission of criminal data elements through the Juvenile Justice Information System (JJIS) program. Proper submission allows data to be included in the Computerized Criminal History (CCH). An accurate and complete CCH provides valuable criminal data to law enforcement and other criminal justice agencies as well as contributing to a safer community overall. To that end, we will discuss:

Executive Order #8 (Grant Funding)

On September 5, 2019, Governor Abbott issued eight executive orders to help prevent mass shootings by increasing law enforcement's ability to respond to suspicious activity.
Order No. 8 stated:

"Beginning January 1, 2020, all future grant awards from the Office of the Governor to counties shall require a commitment that the county will report at least 90 percent of convictions within seven business days to the Criminal Justice Information system at the Department of Public Safety. By January 1, 2021, such reporting must take place within five business days."

DPS has historically recognized a combined statutory interpretation of 60 days for disposition reporting - 30 days for a conviction to be final and 30 days to report final dispositions. DPS confirmed that the order refers to reducing the submission time frame of the second 30-day period.
Effectively, the order requires counties to submit final dispositions within 37 days in year 2020 and within 35 days in year 2021 and beyond

Completeness Reports (Grant Funding)

The Texas Code of Criminal Procedure (CCP), Chapter 66, requires counties to report criminal history dispositions to the Texas Department of Public Safety (DPS). This information is used by law enforcement, judges, and many public and private employers to check criminal histories.

Counties must have an average of 90% or above on both adult and juvenile disposition completeness and maintain timely reporting of all information as required by state law in order for any unit of government or non-profit agency within the county to be eligible for Criminal Justice Division funding.

Disposition completeness percentage is defined as the percentage of arrest charges a county reports to DPS for which a disposition has been subsequently reported and entered into the CCH system.

County Dispositions Exceeding 37 Days

- DPS, as a part of its monitoring process, notifies the County Judge when a reporting agency does not comply with Texas Code of Criminal Procedure, Chapter 66.
- The State Auditor's Office found a decrease in court reporting within the 30 days as required by statute.
