

ONE-TIME PERMIT APPLICATION

AUTHORITY: The Texas Controlled Substances Act, Texas Health & Safety Code (HSC) §481.077, §481.080, §481.081, establish the statutory requirements for filing applications for a precursor chemical substance permit and chemical laboratory apparatus permit. Under §481.136 or §481.137, the transfer or receipt of any precursor chemical substance specified in §481.077 without a permit may be either a State Jail Felony or a Third-Degree Felony. Similarly, §481.138 or §481.139 makes it unlawful to transfer or receive chemical laboratory apparatus specified in §481.080 without a permit, which also is either a State Jail Felony or Third-Degree Felony.

PURPOSE: This office uses the information you furnish to determine whether or not you meet the requirements for a permit. This application will be the basic record of your permit. Please read the attached **INSTRUCTIONS** before completing the application.

OTHER INFORMATION: This office may request you provide additional information during the review and processing of your permit application.

All categories on the application **MUST BE COMPLETED**. All incomplete applications will be returned. There is **NO FEE** for the application or permit.
