# New SCIP Cover

# Vision Statement

## Old:

By **January 2015**, provide all public safety and critical infrastructure responders at all levels of government, including local, county, special districts, tribal, state, and federal, with the highest level of real-time direct interoperable voice and data radio communications utilizing Standards-Based Systems **and incorporating the 700 MHz public safety frequencies.**

## New:

By **the end of 2015**, provide all public safety and critical infrastructure responders at all levels of government, including local, county, special districts, tribal, state, and federal, with the highest level of real-time direct interoperable voice and data radio communications utilizing Standards-Based Systems.
