DR. SMITH

Dispensing Organization

8637 West US 90  
Schulenberg, TX 78956  
(888) 441.KNOX  
State License #: XXXXXXXX

Rx# 7585093-3

03/31/2017

Qty: 1 (30 mL)

Take 2 drops twice  
a day. Recommendation  
or limitation  
by the practitioner.

1. Open bottle by pushing down on dropper/lid and rotating counter-clockwise. 2. Press on dropper bulb and slowly release to aspirate medication into it. 3. Slowly lift dropper and wait for solution from outer walls to drip back down into bottle. 4. Dispense drops under the tongue by pressing on bulb. 5. Leave it under your tongue as long as possible to increase absorption, then swallow remnants.

- Each drop provides approximately 0.5mg of medication.
- A full dropper provides approximately 30 drops (15mg) of medication.
- Patients should feel the medication effects between 1-2 hours of ingestion and effects should last between 4-6 hours (depending on dosage).

**WARNINGS:** This product is for medical use only and is intended for the exclusive use of the patient to whom it is prescribed.
