Benefit Statement: The Crime Laboratory Service has purchased a probabilistic genotyping software program call STRmix for determining the likelihood that an individual DNA profile is included or excluded from a complex DNA mixture in a forensic case. The Technical Leaders in each DNA laboratory will be responsible for helping to implement, train and review the DNA casework for personnel that us this software program. They will also have to help train and coach their personnel on how to testify to the results in cases where this software has been used to obtain results for court.

Pursuant to Government Code 2261.252 the Department may not enter into a contract for the purchase of goods or services with a private vendor if members of the Public Safety Commission or certain positions within the agency including the Executive Director, the General Counsel or the Procurement Director or their covered family members have a financial interest in the vendor. Any contract found to violate Government Code 2261.252 is void.

Certification Concerning Restricted Employment for Former State Officers or Employees under Texas Government Code 572.069. The Respondent certifies that it has not employed and will not employ a former TXDPS or state officer who participated in a procurement or contract negotiation for TXDPS involving the Respondent within two (2) years after the state officer or employee left state agency employment or service. This certification only applies to former state officers or employees whose state service or employment ceased on or after September 1, 2015.

Change orders will be allowed only if unforeseen conditions arise such as, but not limited to, increasing or decreasing quantities or if the department needs dictate changes. All changes shall be in the scope of original work. No verbal change orders will be permitted. All change orders must be in writing with a Purchase Order Change Notice (POCN) issued by Procurement & Contract Services.

U.S. Department of Homeland Security E-Verify System

By entering into this Contract, the Contractor certifies and ensures that it utilizes and will continue to utilize, for the term of this Contract, the U.S. Department of Homeland Security E-Verify system to determine the eligibility of

1. All persons employed to perform duties within Texas, during the term of the Contract; and
 2. All persons, including subcontractors, assigned by the Contractor to perform work pursuant to the Contract, within the United States of America.
- The Contractor shall provide, upon request of TXDPS an electronic or hardcopy screenshot of the confirmation or tentative non-confirmation screen containing the E-Verify case verification number for attachment to the Form I-9 for the three most recent hires that match the criteria above, by the Contractor, and Contractor subcontractors, as proof that this provision is being followed.

If this certification is falsely made, the Contract may be immediately terminated, at the discretion of the state and at no fault to the state, with no prior notification. The Contractor shall also be responsible for the costs of any re-solicitation that the state must undertake to replace the terminated Contract.

Only Texas DPS Terms & Conditions Rev. 10/2014 apply to this order.
