Bidders should include a statement of the specific methods it uses to so protect its covered workers. <http://www.tdi.texas.gov/consumer/wc.html>.

Respondent certifies that it has not employed and will not employ a former Texas Department of Public Safety (TXDPS) or state officer who participated in a procurement or contract negotiation for TXDPS involving Respondent within two years after the state officer or employee left state agency employment or service. This certification only applies to former state officers or employees who state service or employment ceased on or after September 1, 2015. Any contract found to violate Government Code 572.069 is void.

Pursuant to Government Code 2261.252 the Department may not enter into a contract for the purchase of goods or services with a private vendor if members of the Public Safety Commission or certain positions within the agency including the Executive Director, the General Counsel or the Procurement Director or their covered family members have a financial interest in the vendor. Any contract found to violate Government Code 2261.252 is void.

Pursuant to Government Code 2252.908 the Department may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the Department at the time the business entity submits the signed contract to the Department.
