Bidders should include a statement of the specific methods it uses to so protect its covered workers. <http://www.tdi.texas.gov/consumer/wc.html>.

Respondent certifies that it has not employed and will not employ a former Texas Department of Public Safety (TXDPS) or state officer who participated in a procurement or contract negotiation for TXDPS involving Respondent within two years after the state officer or employee left state agency employment or service. Any contract found to violate Government Code 2261.252 is void.

Pursuant to Government Code 2252.908 the Department may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the Department at the time the business entity submits the signed contract to the Department. - 2. All persons, including subcontractors, assigned by the Contractor to perform work pursuant to the Contract, within the United States of America.

The Contractor shall provide, upon request of TXDPS an electronic or hardcopy screenshot of the confirmation or tentative non-confirmation screen containing the E Verify case verification number for attachment to the Form I-9 for the three most recent hires that match the criteria above, by the Contractor, and Contractor subcontractors, as proof that this provision is being followed.
