U.S. Department of Homeland Security E-Verify System By entering into this Contract, the Contractor certifies and ensures that it utilizes and will continue to utilize, for the term of this Contract, the U.S. Department of Homeland Security E-Verify system to determine the eligibility of 1. All persons employed to perform duties within Texas, during the term of the Contract; and 2. All persons, including subcontractors, assigned by the Contractor to perform work pursuant to the Contract, within the United States of America. The Contractor shall provide, upon request of TXDPS an electronic or hardcopy screenshot of the confirmation or tentative non-confirmation screen containing the E-Verify case verification number for attachment to the Form I-9 for the three most recent hires that match the criteria above, by the Contractor, and Contractor subcontractors, as proof that this provision is being followed.
