GLOSSARY OF TERMS

Adult--In Texas, an adult is a person 17 years of age or over. National law provides that adults are age 18 or over. Unless otherwise indicated, this publication follows the state definition.

Affinity--The connection existing, as a consequence of marriage, between married persons and the kindred of the other.

Cleared by Arrest or Exceptional Means--For Uniform Crime Reporting purposes, an offense is cleared by arrest or solved when at least one person is arrested, charged with the commission of an offense and turned over to court for prosecution. In certain situations police are not able to follow these three steps and, if the following four conditions can be met, the offense can be cleared exceptionally: (1) the investigation has definitely established the identity of the offender; (2) there is enough information to support an arrest, charge, and turning over to the court for prosecution; (3) the exact location of the offender is known so that he could be taken into custody; (4) there is some reason outside the police control that prevents the arresting, charging, and prosecuting of the offender.

Consanguinity--Kinship or blood relationship; the relationship of persons who are descended from a common ancestor.

Crime Factors--Conditions that affect the amount and type of crime that occurs in a geographical area.

Crime Index--The sum of seven index offenses used to measure the extent, fluctuation and distribution of crime in a given geographical area. Crime classifications used in the Crime Index are: murder, rape, robbery, aggravated assault, burglary, larceny-theft and motor vehicle theft. While arson is also an index offense, it is not part of the Crime Index.

Crime Rate--The number of offenses per 100,000 inhabitants. To calculate a crime rate, divide the population by 100,000 and then divide the number of offenses by that answer. The crime rate is useful in determining the relative frequency

of crime without regard to fluctuations in population.

Ethnicity--In UCR, race and ethnic origin are counted as two separate designations. The ethnic origin categories were adopted from the U.S. Department of Commerce and are Hispanic and not Hispanic. Included as Hispanic are all persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

Family--Individuals related by blood, affinity, marriage, former marriage, biological parents of the same child, foster children, foster parents, members of the same household or former members of the same household.

The reasonable discipline of a child is excluded from consideration as family violence.

Hate Crime--A crime that is motivated by prejudice or hatred based on race, religion, sexual orientation, ethnicity, or disability.

Hierarchy Rule--When several offenses are committed simultaneously by one person or group of persons the hierarchy rule in UCR mandates that only the most serious offense is recorded for statistical purposes. Arson is an exception to this rule.

Index Crime--A crime for which reports of offenses committed are collected. Index crimes are murder, rape, robbery, aggravated assault, burglary, larceny-theft, motor vehicle theft and arson.

Intimidation--Putting a victim in reasonable fear of bodily harm through the use of threatening words or other conduct.

Juvenile--In Texas, a juvenile is a person 16 years of age or under.

Non-Violent Crime--Property crimes; the index offenses of burglary, larceny-theft and motor vehicle theft.

Part I Offenses--The first of two categories of index offenses established for crime reporting purposes. Part I Offenses are by their nature more serious and/or occur most frequently. For Part I Offenses, the reports of offenses committed are collected without regard to whether an arrest was made.

Part II Offenses--The second of two categories established for crime reporting purposes. Part II Offenses are generally less serious in nature and/or occur less frequently than Part I Offenses. Monthly tabulations of Part II Offenses are limited to arrest information only.
