

Sample Embarkation Hub

Conceptual only; Many variations possible

Note Key Areas in **blue** and evacuee traffic flow in **red**. Soldiers are representative of job categories which need to be covered by evacuation personnel; Soldiers with a star represent those actually using SNETS hardware

Forms, pencils available if form has not been filled out (could be in the briefing area as well)

Chairs for evacuees to sit in while they fill out forms or wait to queue up in line

After enrollment, evacuees should not share common areas such as restrooms with non-enrolled evacuees
