**STATEWIDE CURRENT SITUATION:** Governor Abbot issued a disaster proclamation stating that the severe weather and flooding event that began on 0619/18, has caused a disaster in Aransas, Cameron, Hidalgo, Nueces, San Patricio, and Willacy Counties. Flood water continues to recede and impacted local jurisdictions are beginning to assess damage as access to flooded areas occurs. Preliminary damage assessments are being coordinated as areas become accessible.

**WEATHER:** Rivers are cresting now or are in recession and the flood impacts should be over this weekend. Warm dry air will take over Texas allowing flood water to recede.

## **OPERATIONAL PRIORITIES:**

1. Protect life and property.
2. Support rapid and effective response.
3. [Transition to Recovery](#)
4. Collect and disseminate accurate incident information to improve decision-making.
5. Accurately track incident costs associated with assigned resources for cost recovery.
