DPS offices in central Texas closed Friday

DPS offices in central Texas, including driver license offices and the department's headquarters in Austin, will be closed on Friday due to dangerous driving conditions. We encourage everyone to monitor road condition reports before hitting the roadways.

"All of us should exercise caution when the weather impacts driving conditions," said DPS Director Steven C. McCraw. "Snow and ice can increase the likelihood of traffic crashes. If you must travel, monitor road conditions and drive slowly and defensively."

For current road conditions, please call the Texas Department of Transportation road conditions hotline at (800) 452-9292.
