The Texas Rangers and Fort Stockton Police Department are seeking the public's assistance in identifying a man who was murdered in Fort Stockton, Texas, on July 28, 2011. The victim's image is shown above in still photos from a convenience store's security video. The man had said that he was trying to return to family in Michigan and he had been gone for several years.

Investigators are asking anyone who knows the name of this man or has information about him to call the Texas Rangers at 432-336-3414 or Fort Stockton Police Department at 432-336-4600.

While investigators do not know the name of the victim, they do know that he was a homeless man and estimate that he was between 5 feet 4 inches and 5 feet 8 inches tall. He had a partial prosthetic left leg, amputated just below the knee. He is believed to be in his sixties or possibly older.
