[Texas Occupations Code §1956.032](#)

A person attempting to sell regulated material to a Metals Recycling Entity (MRE) shall:

- a) Present written documentation evidencing the person is the legal owner or is lawfully entitled to sell the regulated material, or
- b) Sign a written statement provided by the Metals Recycling Entity (MRE) that the person is the legal owner of, or is lawfully entitled to sell the regulated material offered for sale.

**False Identification or False Information** – [Texas Occupations Code §1956.038](#)

It is a criminal violation to knowingly provide false identification or information to a metals recycling entity or knowingly record information known to be false in the entity's records. A violation is a Class A Misdemeanor, unless the defendant previously has been convicted of failure to comply with identification or recording requirements or buying or selling stolen regulated material, in which case the offense is a state-jail felony.

**Tampering with a Government Record** – [Texas Penal Code §37.10](#)

A person commits an offense, if he/she knowingly makes a false entry in ... a government record. A violation of this provision may be prosecuted as a second-degree felony under certain circumstances.
