^{*}TPE – Texas Payment Engine is the State of Texas authorized online payment processing system. This system is utilized when processing online application credit card payments. The Online Fee is associated with the processing of credit cards and is passed to the credit card company.

Fee Calculation Formula:

Registration_Fees_Cost + Online Fee ((Handling_Cost * Online_Fee_Percentage) + Handling_Cost) = Total Cost to Customer

Handling_Cost = \$0.25 Online_Fee_Percentage = 2.25%
