

## Sunset Self-Evaluation Report

- Attachments: 4. List of studies that the agency is required to do by legislation or riders.  
5. List of legislative or interagency studies relating to the agency that are being performed during the current interim.

Rider / Legislation	Study
DPS Rider 44	<b>Headquarters Relocation Study.</b> The Department of Public Safety shall use funds appropriated above to study the degree to which the proceeds from the sale of the agency's Austin headquarters property could offset the costs associated with purchasing the property and facilities required for a new agency headquarters. This study shall be submitted to the Legislative Budget Board by June 1, 2018.
SB 2076	Conduct a study with DMV on the efficiency and necessity of the titling, including actions related to titling such as registration, and inspection of vehicles in this state; and submit a report to the legislature on the results that includes: identification of any elements of the vehicle titling, including actions related to titling such as registration, and inspection programs that can be eliminated; and recommendations for legislation to eliminate those elements
