

Training Operations Division

TRACK TRAINING STATEWIDE IN ONE SYSTEM WITH **CORNERSTONE**

The Texas Department of Public Safety (DPS), Training Operations Division, is excited to announce the launch of the new Learning Management System, known as **Cornerstone**! Cornerstone is the primary access point for DPS to track training across the state in one single system.

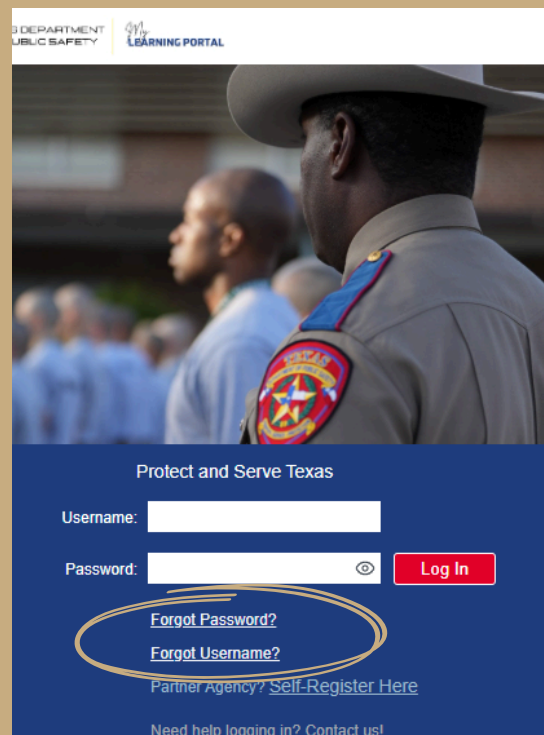

Register Today:

- Go to [TXDPS | My Learning Portal](#)
- Select “Self Register.”
 - Enter your name, email, date of birth, personal identification number (PID), and agency
 - For Department, click on icon and search for your agency, if not shown, select “Outside Agency.”
 - For Agency Type, select “Other.”
 - Choose a password that aligns with the requirements and Submit
- Within 24 hours, you will receive an email from TOD stating you’ve been registered in Cornerstone.

To retrieve your Cornerstone ID, you will need to log in to the system **after** receiving the confirmation email from TOD.

Cornerstone registration is required for all DPS classes. Failure to register will result in loss of system access.
