Item # 2

"U.S. Department of Homeland Security E-Verify System

By entering into this Contract, the Contractor certifies and ensures that it utilizes and will continue to utilize, for the term of this Contract, the U.S. Department of Homeland Security E-Verify system to determine the eligibility of

1. All persons employed to perform duties within Texas, during the term of the Contract; and
2. All persons, including subcontractors, assigned by the Contractor to perform work pursuant to the Contract, within the United States of America.

The Contractor shall provide, upon request of TXDPS an electronic or hardcopy screenshot of the confirmation or tentative non-confirmation screen containing the E-Verify case verification number for attachment to the Form I-9 for the three most recent hires that match the criteria above, by the Contractor, and Contractor subcontractors, as proof that this provision is being followed.

If this certification is falsely made, the Contract may be immediately terminated, at the discretion of the state and at no fault to the state, with no prior notification. The Contractor shall also be responsible for the costs of any re-solicitation that the state must undertake to replace the terminated Contract."

Immigration:

The Contractor represents and warrants that it shall comply with the requirements of the Immigration Reform and Control Act of 1986 and 1990 regarding employment verification and retention of verifications forms for any individuals hired on or after November 6, 1986, who will perform any labor or services under the Contract and the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA) enacted on September 30, 1996.

Item # 3

Order of Precedence:

In the event of conflicts or inconsistencies between this contract and its exhibits or attachments, such conflicts or inconsistencies shall be resolved by reference to the documents in the following order of priority. This Agreement is composed of the following documents:

1. Purchase Order/Contract, including all attachments
2. TXDPS Standard Terms and Conditions Revised 10-2-14
3. IFB including all Amendments
4. Vendor's Bid Response

Background Check:

Work on this project is being performed in secure State of Texas facilities. All contract work crews are subject to Background checks prior to allowing access to these facilities. This includes all workers associated with the project or their respective sub-contractors.

Documents will be provided to the primary contractor for distribution to their affected personnel or subcontractors (post bid and prior to commencement of the work). Personnel information must be provided upon request from each person working on this site. Fingerprinting may be included as part of that background check and a location shall be identified to the contractor for compliance. Incomplete forms will be returned and only approved personnel shall be allowed on the site.

Contractor, to include all staff working on awarded project shall have thirty (30) calendar days from the date of award to get fingerprints taken, paperwork submitted and personnel approved. In case of background check failure of personnel, contractor shall have five (5) working days from announcement of failure to re-submit completed fingerprint and forms to the Project Manager for replacement personnel. If all background checks have not been completed in the thirty (30) calendar days, purchase order will be cancelled and will be awarded to next qualified bidder listed on the bid tabulation. The above procedures and stipulations will apply to any subsequent bidders that are awarded the project. TXDPS is a Police organization and will make every effort to enforce applicable State of Texas, Federal and International laws. Persons with outstanding warrants shall be subject to immediate arrest. Persons with criminal histories may not be allowed unescorted in secure TXDPS facilities. Nondisclosure statements may also be required when working on or within certain TXDPS locations.

Service Call Response Time:

Response time will vary dependent upon the complexity and/or location of the service. After receiving a call for service, the Vendor shall have a technician on-site within the specified time requirements for the following types of service calls:

1. Service call during regular work hours (8:00 a.m. to 5:00 p.m.): Within 3 hours of notification.
2. Service calls outside regular hours: Within 3 hours of notification.

Corrective Action Plan:

If TXDPS discovers issues of unsatisfactory performance as set forth in this IFB, TXDPS shall request a Corrective Action Plan from the Contractor. Upon request from the TXDPS Project Manager or his/her designated representative, the Contractor shall deliver a Corrective Action Plan within ten (10) business days and it must be approved by the TXDPS Contract Administrator. The Corrective Action Plan must address and correct all unsatisfactory performance within thirty (30) days of the implementation. Failure to correct the unsatisfactory performance within the allotted time shall be grounds for termination.
