GC Autosampler CTC Headspace Syringes, SGE  
 Syringe, 2.5mL Fixed Needle CTC Head Space Syringe with Energized gas tight plunger and 5.6cm 0.63mm OD (23 gauge), Side-hole Needle  
 Outstanding reproducibility maintained during temperature cycling  
 Highest operating temperature  
 Save time and improve analysis workflow  
 Features and Benefits ASGEA unique energized plunger tip design ensures a gas tight seal is consistently maintained providing outstanding performance (%RSD) with temperature cycling.  
 The PTFE plunger tip in Diamond Headspace Syringes enables the use of a broader range of samples and solvents compared with polymers used in plungers of other high temperature syringes, this provides greater flexibility for your headspace analyses and a longer lasting syringe.  
 No dead space. GC Headspace injections.

Item # 12

Government Code 2261.252

Pursuant to Government Code 2261.252 the Department may not enter into a contract for the purchase of goods or services with a private vendor if members of the Public Safety Commission or certain positions within the agency including the Executive Director, the General Counsel or the Procurement Director or their covered family members have a financial interest in the vendor. Any contract found to violate Government Code 2261.252 is void.

Change Order:

Change orders will be allowed only if unforeseen conditions arise such as, but not limited to, increasing or decreasing quantities or if the department needs dictate changes. All changes shall be in the scope of original work. No verbal change orders will be permitted. All change orders must be in writing with a Purchase Order Change Notice (POCN) issued by Procurement & Contract Services.

E-Verify:

U.S. Department of Homeland Security E-Verify System

By entering into this Contract, the Contractor certifies and ensures that it utilizes and will continue to utilize, for the term of this Contract, the U.S. Department of Homeland Security E-Verify system to determine the eligibility of

1. All persons employed to perform duties within Texas, during the term of the Contract; and
2. All persons, including subcontractors, assigned by the Contractor to perform work pursuant to the Contract, within the United States of America.

The Contractor shall provide, upon request of TXDPS an electronic or hardcopy screenshot of the confirmation or tentative non-confirmation screen containing the E-Verify case verification number for attachment to the Form I-9 for the three most recent hires that match the criteria above, by the Contractor, and Contractor subcontractors, as proof that this provision is being followed.

If this certification is falsely made, the Contract may be immediately terminated, at the discretion of the state and at no fault to the state, with no prior notification. The Contractor shall also be responsible for the costs of any re-solicitation that the state must undertake to replace the terminated Contract.

The Respondent certifies that it has not employed and will not employ a former TXDPS or state officer who participated in a procurement or contract negotiation for TXDPS involving the Respondent within two (2) years after the state officer or employee left state agency employment or service.

This certification only applies to former state officers or employees whose state service or employment ceased on or after September 1, 2015.

Per VWR International LLC Quote 8030124217 dated 6/29/16.

Only TXDPS Standard Terms & Conditions Rev. 4/16 apply to this order.

Standard manufacturing warranty applies to this order.
