Installation location requires controlled access. Contractors and subcontractors will be required to submit to a Criminal History Background Check. Vendors will be required to meet the terms and conditions in section '24. Criminal History Background Checks' in the attached Texas Department of Public Safety Standard Terms and Conditions, dated 4/2016.

Installation location requires controlled access.

Performing Agency must have its project personnel submit to a TXDPS fingerprint based criminal history background investigation, if required by TXDPS. To facilitate this criminal history background investigation, each person must be required to complete the TXDPS Vendor Background Information form (HQ 22), which will be provided by TXDPS. Performing Agency is not responsible for any costs associated with obtaining any fingerprints for the criminal history background investigation.

If TXDPS requires a fingerprint based criminal history background investigation, Performing Agency must not allow personnel to work on the project who have not successfully completed a TXDPS fingerprint based criminal history background investigation and who do not otherwise maintain a TXDPS security clearance. In addition, TXDPS has the right to prevent the Performing Agency's personnel from gaining access to the TXDPS building(s) and computer systems if TXDPS determines that such personnel do not pass the background check or fail to otherwise maintain a TXDPS security clearance.
