U.S. DEPARTMENT OF HOMELAND SECURITY E-VERIFY SYSTEM

By entering into this Contract, the Contractor certifies and ensures that it utilizes and will continue to utilize, for the term of this Contract, the U.S. Department of Homeland Security E-Verify system to determine the eligibility of

1. All persons employed to perform duties within Texas, during the term of the Contract; and
2. All persons, including subcontractors, assigned by the Contractor to perform work pursuant to the Contract, within the United States of America.

The Contractor shall provide, upon request of TXDPS an electronic or hardcopy screenshot of the confirmation or tentative non-confirmation screen containing the E-Verify case verification number for attachment to the Form I-9 for the three most recent hires that match the criteria above, by the Contractor, and Contractor subcontractors, as proof that this provision is being followed.

If this certification is falsely made, the Contract may be immediately terminated, at the discretion of the state and at no fault to the state, with no prior notification. The Contractor shall also be responsible for the costs of any re-solicitation that the state must undertake to replace the terminated Contract.

TERMS AND CONDITIONS

By acceptance of this Purchase Order (PO), awarded vendor agrees that only TXDPS Standard Terms and Conditions for Commodities, dated 04/2016, shall apply to this Purchase Order.

INSIDE ACCESS

Instrumentation location requires controlled access.

Performing Agency must have its project personnel submit to a TXDPS fingerprint-based criminal history background investigation, if required by TXDPS. To facilitate this criminal history background investigation, each person must be required to complete the TXDPS Vendor Background Information Form (HQ-22), which will be provided by TXDPS. Performing Agency is not responsible for any costs associated with obtaining any fingerprints for the criminal history background investigation.

If TXDPS requires a fingerprint-based criminal history background investigation, Performing Agency must not allow personnel to work on the project who have not successfully completed a TXDPS fingerprint-based criminal history background investigation and who do not otherwise maintain a TXDPS security clearance. In addition, TXDPS has the right to prevent the Performing Agency's personnel from gaining access to the TXDPS building(s) and computer systems if TXDPS determines that such personnel do not pass the background check or fail to otherwise maintain TXDPS security clearance.
