*DSO information provided by Jefferson County are projections using Hurricane Harvey data and may not be an accurate representation of current damages.

Eligibility requirements for FEMA disaster assistance are met through thresholds on the Public Assistance side and housing damages on the Individual Assistance side (among other factors). Insured property or infrastructure is not included in the numbers required to meet these requirements. For example, homes that have insurance do not count towards meeting the needed threshold. The numbers provided on this spreadsheet do NOT take insurance into account and therefore may not accurately represent the state's status in meeting FEMA requirements.
