

Texas Driver License Office CDL Skills Testing Locations

The Texas Department of Public Safety Driver License Offices offers Class A and B skills testing by appointment only. These offices reflect commercial driver license (CDL) skills test locations and do not necessarily reflect the actual CDL driver license office. Sites underlined are temporary locations that conduct CDL skills tests and are not actual Driver License Office locations. You will be directed here upon the successful completion of your CDL application. Effective September 1, 2024, unless otherwise stated, CDL Test sites are utilizing the modernized version of the CDL Skills Test.
