

SUPPORTING THE SPORT

Cycle Gear offers a one-time 15% discount off everything for new riders.

Special orders may be included, discount applies only to full-retail pricing.

If there's a package deal or sale, you can get the best deal (15% off or ___)

Must be used within 60 days of the issuing date on the completion card.

Just bring your state safety training card/certificate in and we will take care of the rest.

Note: Due to Cycle Gear's already lowest possible price we are unable to offer discounts on Shoei or Arai Helmets, including special orders. Our tire prices are already as low as we can make them, so unfortunately we are unable to offer discounts on any brand of tires.
