## **EXECUTIVE SUMMARY**

This report is provided by the Regulatory Services Division (RSD) of the Texas Department of Public Safety (DPS) in accordance with the requirements outlined in House Bill 1927 (Government Code, Section 411.02096), 87th Regular Session of the Texas Legislature, 2021.

The report is to include information related to the carrying of firearms by persons in this state, including information specific to the License to Carry (LTC) program and any other relevant information related to the carrying of firearms in Texas.

The Regulatory Services Division licenses individuals to carry handguns within Texas, evaluates the eligibility of applicants through criminal history background checks, and monitors those currently licensed to ensure their continued eligibility.

The DPS Crime Records Division maintains various programs that collect information submitted by local criminal justice agencies throughout the state. Submitted information is compiled into statewide databases or systems and forwarded to national criminal justice databases at the Federal Bureau of Investigation (FBI).
