

Vehicle Inspection Advisory Committee

Meeting via Teleconference

Tuesday, April 16, 2019

1:30 pm

Agenda

1. Call to Order
2. Roll Call
3. Minutes from January 16, 2019
4. Remarks from DPS and TCEQ
5. Old Business
 - a. Legislative update
 - i. Can DPS and TCEQ provide any update on bills filed and legislator interest in the safety and emissions inspection program during the current session?
 - b. Remote sensing update
 - i. Can DPS provide an update on any recent changes or improvements, numbers of vehicles detected and notices sent during the past three months?
 - c. VIAC Travel Reimbursement Funding Status
 - i. Are there any updates about getting funding for VIAC travel added to the rider?
 - d. Status update for open public interest VIAC seat
6. New Business
 - a. State Agency Efforts to Implement VIAC Suggestions
 - i. Is there a way for DPS and TCEQ to interface with legislators to advance VIAC suggestions on items where statutory changes are necessary, both before and during a legislative session? Is there a way to bring suggestions to legislators' attention that does not meet the lobbying threshold, but does work to advance the quality and efficiency of the inspection program?
7. Public Comment
8. Future agenda items
9. Date of next meeting
10. Adjourn
