

## N-DEx IEPD Message Overview

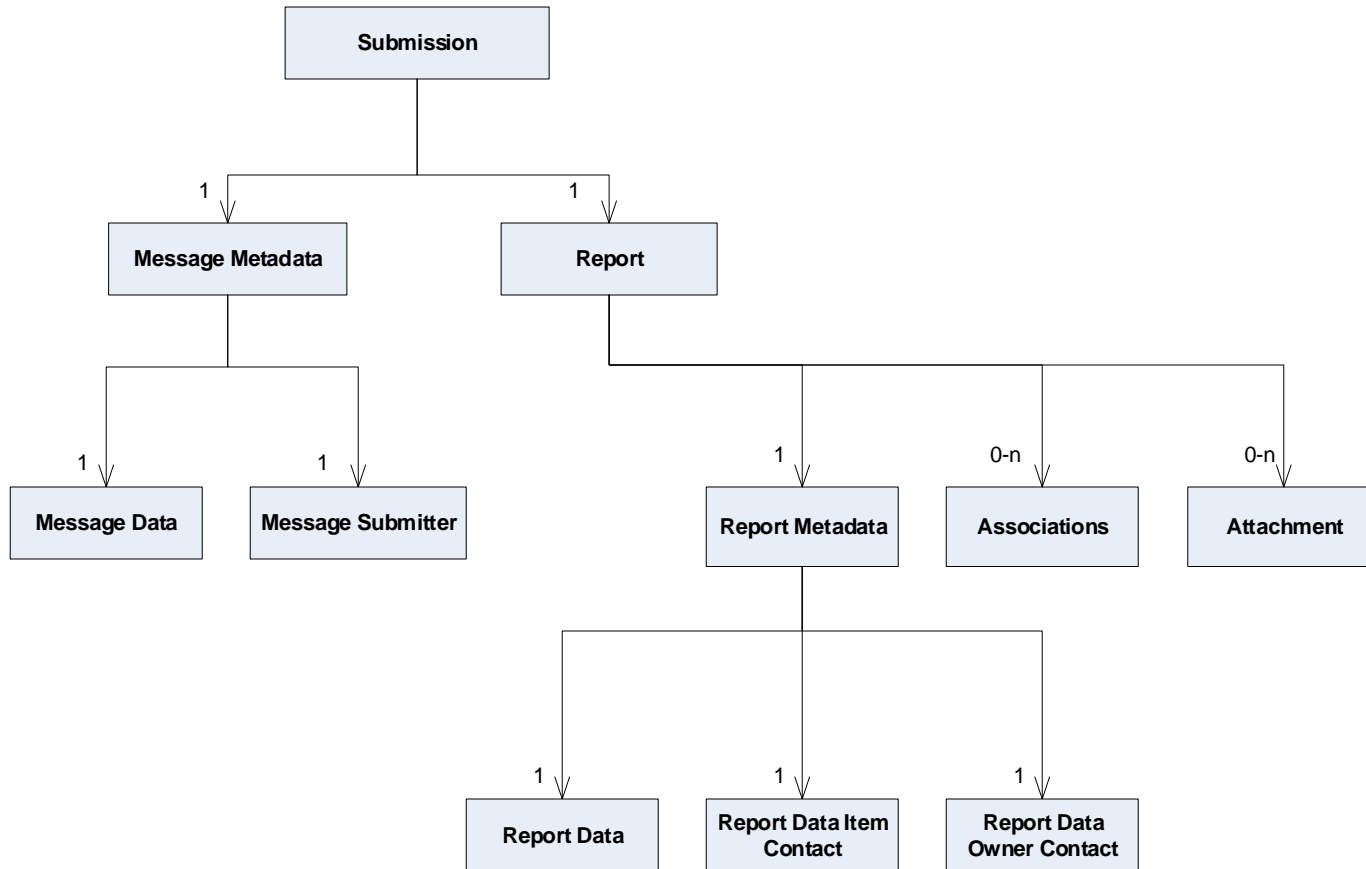

### Legend:

<b>1</b>	Required, must have one
<b>1-n</b>	One required but can have many
<b>0-n</b>	Can have zero – many
<b>0-1</b>	None required but can have up to one
<b>*</b>	Primary Activity for the Report Type

**Note:** High-level model diagrams do not show everything available or expected in an N-DEx submission. These diagrams provide an overview of all high-level objects directly linked to the primary activity (such as the Incident Activity for an Incident Report) plus any roles the high-level objects may serve (such as Person serving as a Missing Person). For further details and information, refer to the N-DEx\_4.0\_CMW document in the IEPD.
