JUVENILE JUSTICE INFORMATION SYSTEM

During the 74th Regular Session in 1995, the Texas Legislature made extensive changes in the Juvenile Justice System. These changes substantially changed Chapter 58 of the Family Code that outlines and defines the Juvenile Justice Information System (JJIS). The Texas Department of Public Safety (DPS), Texas Juvenile Justice Department (TJJD), Texas Juvenile Probation Commission (TJPC), Criminal Justice Police Council (CJPC), and juvenile courts created a comprehensive tracking system that includes relevant data for agencies responsible for the arrest, prosecution, adjudication, and correction of juvenile offenders. This system also provides usable data to support analyses by juvenile justice policy makers and planners.

In the 82nd Regular Session in 2013, the Texas Legislature combined the TJJD and the TJPC into one agency, the Texas Juvenile Justice Department (TJJD), SB 653.

In the 85th Regular Session in 2017, the Texas Legislature passed SB1304 that removed Juvenile Restrictions, enhanced Juvenile Sealing, and reorganized Family Code Chapter 58.

This data is maintained in a statewide Computerized Criminal History (CCH) system regulated by the Crime Records Division of DPS.

FOR LOCAL AGENCY USE Duplicate to TRN 2345678910									

DUPLICATE TRN

A duplicate TRN is the reporting of the same offense multiple times. Only one TRN can be used and all duplicate TRN's must be closed. To complete this process, you may perform one of the following:

1. Using a copy of the original CR-43J, change the referral disposition to 207 and write "Duplicate To" and the duplicate TRN in the For Local Agency Use field at the bottom of the form. Email this corrected form to corrections.cjisjjs@dps.texas.gov Please use blue or black ink for all corrections.
2. Email correction.cjisjjs@dps.texas.gov requesting that the DPS change the referral disposition code to 207. When making this request, include the following information

TRN
TRS
Name
Date of Birth
Date of Arrest
Offense Data
The Duplicate TRN

3. If you have access to the CJIS Site (<https://cch.dps.texas.gov/les>) you can make this correction online if no Intake, Prosecutor, or Court is present.

Change the ADN to 207 and write "Duplicate to TRN _____" in the ADD, Disposition Literal field.

Please be aware that this will close out the Duplicate charge but will not remove it from the person's criminal history. If you wish to remove the Duplicate charge, your agency will need to pursue a full sealing of the record.
